What is Neighborhood Watch?

This is an organized effort by concerned citizens to prevent crime and improve the quality of life in their neighborhood. In cooperation with the police department, neighbors work to safeguard each other's homes and reduce the risk of crime in their community.

Benefits -

By getting to know your neighbors and forming connections, you make your community safer. You do this by learning to recognize what is normal and what is not. This can help you in protecting your property and family as well as that of your neighbors. Watch groups are also great social gatherings and may be used to form networks to help each other with home improvement projects which can raise property values. This is also a great forum to discuss concerns and share ideas. Close friendships have been formed between members of a watch program.

How Neighborhood Watch is organized -

Generally a watch group consists of a coordinator, block captains and watch members, but your Watch will be customized to meet the needs of your area. The Coordinator is the liaison between your neighborhood and the police department. The Coordinator also is responsible for sharing information with the Block Captains. Block Captains communicate with the Watch Members who live on their blocks. Watch Members are the eyes and ears of Neighborhood Watch. Success of Neighborhood Watch depends on neighbors who are alert and who communicate with each other.

Organizational Chart

The Next Step -

If you would like to learn more about how to improve your community with Neighborhood Watch, contact the Lansing Police Department's Community Service Officer at 517-483-4469 or e-mail lpdcso@lansingmi.gov. The Community Service Officer can guide you on how to organize an initial meeting to introduce and begin organizing a program with your neighbors.

WHAT ARE THE COORDINATORS DUTIES?

- Works closely with Assistant Watch Coordinator to expand program and maintain current list of participants and neighborhood residents, including :
 - Name
 - Address
 - Contact phone numbers
 - Email address
- Works with Lansing Police Department to arrange crime prevention training programs
- Sign up for Crime Mapping Crime Alerts for updated crime in your Watch area
- Notifies residents via phone tree of any safety alerts or notices
- Organize at least one meeting a year (This can be on National Night Out)

WHAT ARE THE BLOCK CAPTAIN'S DUTIES?

- A Block Captain should be designated for every 10-15 houses, and they should be involved with their immediate neighbors
- Acts as a liaison between block residents and the Coordinator
- Maintains an up-to-date contact list for block residents and distributes to block participants
- Visits and invites new residents on your block to join Neighborhood Watch, notifying them of meetings, training sessions, and the Operation ID program
- Touches base with neighbors to discuss crime problems, any needs for assistance, and suggestions for program improvement

WHAT ARE THE BLOCK VOLUNTEERS / RESIDENTS DUTIES?

- A Block Volunteer is actively involved in NW, providing contact information, attending meetings and trainings when possible, and watching out for his/her neighbors
- A Block Resident lives within the community but does not participate in NW activities. The Resident may choose to provide contact information to the Block Captain and may receive notices/alerts, but has no further interest. Some may wish to be omitted from the block list and have no contact with the Block Captain. Neighborhood Watch is strictly voluntary and no one need feel pressured to participate
- Pay attention to what goes on in the neighborhood and report suspicious activity to the police
- Work with the Block Captains and the Coordinator to solve problems in the neighborhood

HOW / WHEN TO CALL THE POLICE

The 911 System is designed to handle the following types of situations: **Life threatening emergencies, Medical emergencies, Crimes in progress.**

- Please ***do not*** call 911 if there is no emergency. The 911 operators are specifically instructed to handle only emergency calls. When you call 911, the operator will assess your situation and may instruct you to call back on the non-emergency line (517-483-4600). Please do not let this deter you from calling. Remember, sometimes there are only two 911 operators that can only handle nine calls at a time.
- Use the non-emergency number to report something that is ***not*** an emergency.
- When you see a suspicious activity, **CALL THE POLICE!** The operators are trained to decide whether or not your situation warrants police response. Calls are dispatched on a priority system, with emergencies dispatched first. Even if an officer is unable to respond as quickly as you would like, it is still important for you to report the suspicious activity. If an officer is going to respond, the dispatcher will decide when to send the officer to your location.
- We encourage Coordinators to problem-solve neighborhood issues and use the phone list as a resource. If additional assistance is needed, please contact your Community Service Officer.

SAMPLE FLYER

Our neighborhood is undertaking a program to reduce the opportunity for residential burglaries and thefts to occur. We can accomplish this by establishing a network for concerned citizens to communicate with their neighbors and the Lansing Police Department.

The security of our residential life begins with our own actions. No police department can effectively protect life and property without the support and the active cooperation of the citizens served.

We would like to invite you to attend an organizational meeting for our Neighborhood Watch. The meeting will be held on:

TIME:

DATE:

LOCATION:

By meeting together, we hope to explain the goals of our Watch, illustrate simple home-protection techniques, and discuss ways we can reduce the opportunity for crime to occur in our neighborhood.

Follow the instructions below to sign up for Crime Alerts:

SIGN UP AND RECEIVE CRIME ALERTS

We'll send you community alerts and crime reports via Email

Note: Be sure to add do-not-reply@crimemapping.com to your safe senders list.

Step 1: Email Address

Enter the email address that the email alerts will be sent to.

Note: Your email address will not be shared with any third parties.

Your Email address:

Confirm Email address:

Email Format:

Step 2: Location of Interest

Enter the address or intersection for the location that you are interested in.

Location:

ex: 3rd Ave & Laurel St, San Diego CA

[Find Address](#)

Step 3: Focus

How far around this location do you want to focus this report?

Distance around location:

Step 4: Crime Types

Check the box next to the crime types that you would like to be notified about.

[Check All](#) [Clear All](#)

- | | |
|---|--|
| <input checked="" type="checkbox"/> Arson | <input checked="" type="checkbox"/> Assault |
| <input checked="" type="checkbox"/> Burglary | <input checked="" type="checkbox"/> Disturbing The Peace |
| <input checked="" type="checkbox"/> Drug & Alcohol Violations | <input checked="" type="checkbox"/> DUI |
| <input checked="" type="checkbox"/> Fraud | <input checked="" type="checkbox"/> Homicide |
| <input checked="" type="checkbox"/> Motor Vehicle Theft | <input checked="" type="checkbox"/> Robbery |
| <input checked="" type="checkbox"/> Sex Crimes | <input checked="" type="checkbox"/> Theft Larceny |
| <input checked="" type="checkbox"/> Vandalism | <input checked="" type="checkbox"/> Vehicle Break-In Theft |
| <input checked="" type="checkbox"/> Weapons | |

Step 5: Sex Offenders

By checking this box your alert will contain a link to sex offenders in the state you selected.

Yes, I want a link to state sex offenders in my alert.

Step 6: Almost there!

Click the Save button to finish.

HOW IT WORKS

When a crime occurs in your area we will send you an e-mail with a detailed **report** telling you exactly

what crimes occurred and where they happened.

YOUR PRIVACY

Your email address and personal information will not be shared with any third parties. You can unsubscribe from our Community and Crime Alerts at any time.

OUR PLEDGE

We do not "scrape" data from other sites and we strive to provide you with data that is current and accurate.

TIPS FOR INCREASING PARTICIPATION IN NW:

1. **Stop Thinking of Neighborhood Watch Only in Terms of a “Crime Program”**

Neighborhood Watch can be a way of life! Watch activities are only limited by your imagination. Neighborhood Watch can be a tool for improving the quality of life on your block.

2. **Consider the Size of Your Watch**

It is easier to organize and motivate small groups of people rather than larger groups.

3. **Ask Questions**

Find out what neighbors want. What common themes connect you?

4. **Plan a Visible Activity**

(e.g. ribbons on street posts, luminaries, etc...)

Such an activity can be done by a small number of people, but it can raise awareness among neighbors that something is happening.

5. **Do Something Fun!**

This doesn't have to be something elaborate. Do something easy...Even if it only draws a few neighbors, it will help to get the ball rolling. (e.g. Serve donuts and cider to neighbors after Trick or Treating, have a potluck, plan a “Know your neighbor party” etc...)

6. **Do Something Easy**
If your area has a lot of problems that need to be addressed, start with something easy that you know can be resolved quickly (e.g. have street lights repaired). This will show your group that they can get results. Your Community Service Officer can help you develop a problem-solving plan.
7. **Create an Upbeat and Exciting Newsletter to Re-Introduce Neighborhood Watch**
Hand out the newsletter as you go door-to-door to update your phone-tree.
8. **“Term Limit” Coordinators**
No one wants to be the Neighborhood Watch Coordinator for life! Consider limiting the coordinator’s position to a two year term and work to identify someone who will take over at the end of that time period.
9. **Plan a Meeting with a Cool Guest Speaker**
Consider what topic might be of interest to many people in your neighborhood and arrange for a guest speaker. (Your Community Service Officer can help you with this.) Once you have people gathered, take the opportunity to announce your next Neighborhood Watch activity!
10. **Identify a Need in the Neighborhood and Organize a Response to It**
The goal is to bring people together for a common good. You might do a yard clean-up for an elderly neighbor or plant flowers in a common area.
11. **Create a Strategic Plan**
If your Neighborhood Watch does not have goals that provide direction, the result will be a flurry of activities that have little purpose. Ultimately, this will lead to inactivity. A Strategic Plan can provide direction and longevity for your Watch. A Strategic Planning guide is available from your Community Service Officer.
12. **Don’t Go It Alone**
There are lots of people for you to turn to for help with Neighborhood Watch! Don’t hesitate to call them!
