CELEBRATE AMERICA RECYCLES DAY WITH THE CITY OF LANSING AND LIVE GREEN LANSING

In observance of America Recycles Day, the City of Lansing and Live Green Lansing are sponsoring a free, family-friendly art project at REACH art studio on Saturday, November 12th from 12 Noon-2pm. The art project will focus on creating Christmas ornaments made entirely from recycled materials.

Participants can enter to win raffle prizes including a Potter Park Zoo membership, REACH gift certificate and gift baskets featuring local and Michigan-made products.

Delicious cake and cookies will be provided by Bake N' Cakes. Stella the Recycled Dinosaur will be on hand for photo opportunities.

America Recycles Day is Tuesday, November 15th. More than a celebration, America Recycles Day is the only nationally-recognized day dedicated to promoting recycling. It is one day to make recycling bigger and better – 365 days a year. Let's make recycling work in our community. Find out more at americarecyclesday.org/
