

City of Lansing
Basement Backup Protection Program (B2P2)

732 City Hall
 124 W. Michigan Ave.
 Lansing, MI 48933

Virg Bernero, Mayor

B2P2 Contractor List

Selecting a contractor is an important step in participating in Lansing’s Basement Backup Protection Program (B2P2). To help you, the B2P2 has compiled a list of contractors who participated in an informational B2P2 meeting.

The City and the B2P2 do not make recommendations on any of these contractors. You can use any contractor who is licensed for the type of work outlined in the program guidelines, and meets the insurance requirements. Contractors must also provide you with a 1 year warranty on labor and materials.

If you have any questions, call the B2P2 Help Line at (517) 853-7867. You may also email the B2P2 staff at Basements@DCEngPC.com.

A good proposal will:

- Explain the solution and how it will work.
- Outline your basement sewer connections.
- Discuss maintenance issues.
- Disclose all related costs, including parts and labor.
